Apollo

/ folding arm awning

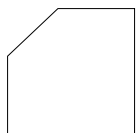

The Apollo is a high quality folding arm awning featuring stylish European design and features. The Apollo provides shade, will cool your home and allows you to extend your outdoor living and entertaining space.

Suitable for wider widths, the Apollo units can be joined together to achieve spans up to 12m, and features mounting flexibility through the use of a square back bar.

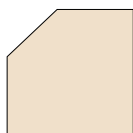

The Apollo is available with a hood profile or the option of a small semi-cassette and also features the optional drop arm bracket allowing the awning to project out further than its width making it perfect for small courtyards and limited space.

Motorised or manual operation available.

Standard colours are White, Cream, Black and Silver.
